

READY OR NOT; HERE I COME!

Revelation 1:7-8

Paul Becker

HIS IMMINENT RETURN

There's more speculation about the second coming than any future event with Christians and non-Christians. Over 1,500 old testament passages referring to Christ's second coming. 50 times Jesus admonishes to be ready for his return.

HIS DISTINCTIVE RETURN

He will come with the clouds. Clouds refer to God's presence. He is coming back as victorious king.

HIS DEFINITE RETURN

Every eye will see him.

HIS TRIUMPHANT RETURN

And all tribes of the earth will mourn because of him.

HIS GLORIOUS REIGN

Our king who is, and who was, and who is to come.

WILL YOU BE READY?
