

# Have Thine Own Way

## Clarinet Accompaniment

Adelaide Addison Pollard  
George Coles Stebbins

♩ = 100

Clarinet

1. Have thine own way,                    Lord! Have thine own way!                    Thou art the  
2. Have thine own way,                    Lord! Have thine own way!                    Searchme and  
3. Have thine own way,                    Lord! Have thine own way!                    Wound-ed and

Pot - ter;                    I am the                    clay.                    Mould me and make me                    af -ter thy  
try me;                    Mas - ter to -                    day!                    Whit - er than snow, Lord,                    wash me just  
wear - y,                    help me, I                    pray!                    Pow - er, all                    pow - er,                    sure - ly is

will,                    while I am                    wait - ing,                    yield - ed and                    still.  
now                    as in thy                    pres - ence                    hum - bly I                    bow.  
thine!                    Touch me and                    heal me,                    Sav - ior Di -                    vine.
