Alto Sax

When I look into your hol- i- ness, when I
find the joy of reach- ing your heart, when my

gaze into your lov- li- ness, then all things that surround become
will becomes enthroned in your love, then all things that surround become

shadows in the light of you. When I I worship
shadows in the light of you.

you, I worship you. The

reason I live is to wor- ship you

I worship is to wor- ship you.
