Who are we that you would be mindful of us? What do you
see that's worth looking our way? 1. We are free
in ways that we nev - er should be; Sweet re - lease from the grip of these chains
our hearts don't de - serve your glo - ry. Still you show a love we can not af - ford.
Like hinges straining from the weight, my heart no longer can keep
from sing - ing. All that is with - in me cries, for you a - lone be glo - ri - fied. Em - man
- u - el, God with us. My heart sings a brand
new song, the debt is paid, these chains are gone. Em - man - u - el, God with us.
1. 2. Lord, you know Such a ti - ny of - fer - ing
com - pared to Cal - va - ry, nev - er - the - less, we lay it at your feet.
Such a tin - y of - fer - ing com - pared to Cal - va - ry. *D.S.*
